

VERTICAL BALER

6030HDB

Safety, quality and performance at a great price make the 6030HDB our most popular baler.

Wastequip's 6030HDB Baler is perfect for cardboard baling. It has a powerful 10HP motor, quick 45 second cycle time, and built-in forklift pockets. With a height under 8 feet, it fits under most doorways, and the 27" feed opening is the largest in the industry. Combined with an eye-level, side-mounted power unit, it's the perfect baler for operators, installers and service technicians. And, the best part is the great price for a baler packed with industry-leading features.

Value-Added Benefits

Easy to transport and install	<ul style="list-style-type: none">• Built-in forklift pockets for easier transport• 94" transport and install height fits vertically under most doorways
Easy to load	<ul style="list-style-type: none">• 27" feed opening is the largest in the industry
Fast and efficient	<ul style="list-style-type: none">• 45 second cycle time is one of the fastest in the industry
Easier to service and maintain	<ul style="list-style-type: none">• 10 HP motor eye-level, side-mounted power unit• Eye-level oil sight and temperature gauge provides visible indicator of oil volume, cleanliness and temperature to avoid repairs• UL listed solid state electronic controls• NEMA 4 control panel provides protection against windblown dust, splashing water and hose-directed water• High-performance HD32 hydraulic oil allows wider temperature operating range• High-quality, outdoor protective paint finish protects against oxidation and rust
Enhanced safety features	<ul style="list-style-type: none">• Auto Open Gate• Safety cable thru cylinder to protect in the event of cylinder pin failure• Emergency stop button• Front and rear retaining teeth stabilizes bale and increases density

VERTICAL BALER

6030HDB

Built-in forklift pockets allow for ease of transport and installation. Baler can be easily loaded on a standard flatbed by a forklift.

Specifications

CYLINDER BORE	6"
CYLINDER ROD	3.5"
CYLINDER STROKE	48"
MOTOR HP	10
PHASE & VOLTAGE	3 PHASE 208-230/460
BALE WEIGHT OCC	800-1,000#
BALE SIZE	60" X 30" X 48"
FEED GATE OPENING	27" X 60"
FEED HEIGHT	49"
PLATEN AREA (sq. inches)	1,725
PLATEN FORCE (lbs.)	56,500
OPERATING PRESSURE	2,000 PSI
CYCLE TIME (sec.)	45
CONTROL VOLTAGE	110 V
PUMP SIZE GPM @ 1850 RPM	13
SHIPPING WEIGHT (lbs.)	4,000

*Optional Features: bale wire guides, oil heater, and full bale light
